REMARKS

In a telephone call to the undersigned, Examiner Lu indicated that the claims appear to recite allowable subject matter, but that certain informalities needed to be corrected. Pursuant thereto, this Amendment is being submitted in electronic form, to enable the examiner to incorporate the changes into an Examiner's Amendment. Specifically, claims 67, 106, 107 and 108 have been amended so that they do not depend from a canceled claim. Claims 16 and 95 have been amended to change "an atom graph" to "the atom graph."

With these changes, it is believed that the application is in condition for allowance, and a notice to that effect is respectfully solicited.

Respectfully submitted,

BUCHANAN INGERSOLL PC
